ABOUT US

Great People Great Business

At Great Business Consulting, we bring years of experience in delivering innovative and strategic business solutions. Our team of dedicated professionals is committed to helping you understand your business needs, improve organizational structure, and achieve your goals. With a customized approach tailored to each client, we are dedicated to delivering optimal results through in depth analysis and effective strategies. One of our key strengths is our always available consulting services, ready to support you whenever needed.

With years of experience in the business world, we are well equipped to help you overcome challenges in making critical business decisions. Trust your business consulting needs to us.

CEO MESSAGE

Dear Partners, Clients and Team.

At Great Business Consulting, we believe that every challenge holds the potential for transformation as your strategic partner, our commitment goes beyond providing solutions. We aim to unblock sustainable growth and long-term value for organization.

At Great Business Consulting, we believe that every challenge holds the potential for transformation as your strategic partner, our commitment goes beyond providing solutions. We aim to unblock sustainable growth and long-term value for organization.

Thank you for the trust you've placed in us. Together, let's shape a future that's not only competitive, but visionary.

Warm Regards,

Dr. Sugianto Aritonang
Chief Executive Officer
Great Business Consulting

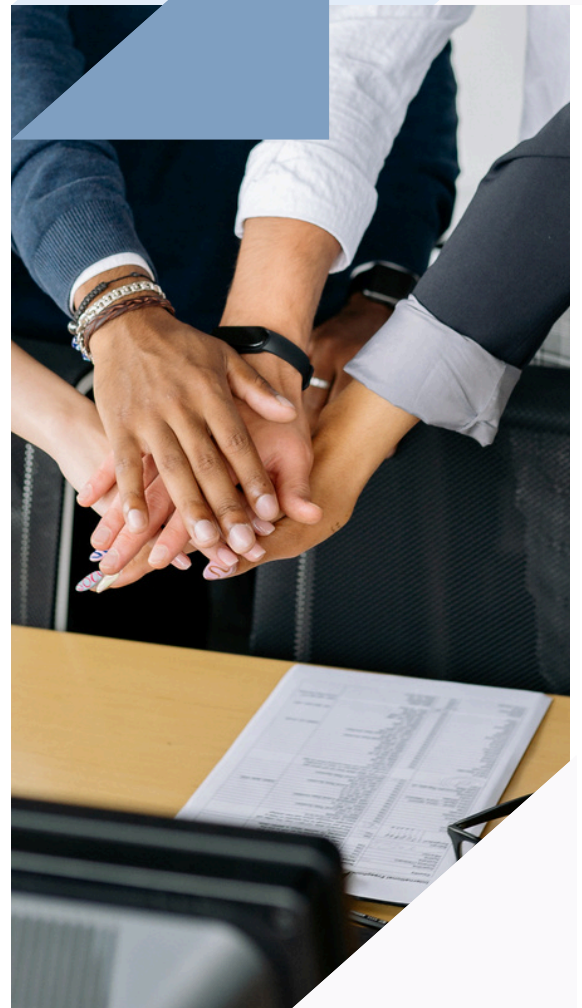

VISION & MISSION

VISION

To be a leading consultant that helps companies develop great people and achieve extraordinary business success.

MISSION

- To help companies identify, develop and retain top talents.
- To increase awareness and understanding of the importance of developing great people in achieving business success.

COMPANY VALUES

- Valuing people talents and abilities.
- Being integrity and profesional in all aspects of business.

STRATEGIC OBJECTIVES

- To increase awareness of the importance of developing great people in business.
- To become a strategic partner for companies in achieving business goals.

MOTTO GREAT PEOPLE GREAT BUSINESS

Great People refers to individuals who possess exceptional qualities such as skills, knowledge, integrity, teamwork, and a high level of dedication from field employees to senior management.

Great Business refers to a successful and sustainable enterprise that is capable of achieving its strategic objectives. A great business measures success not only in terms of financial performance but also through customer satisfaction, innovation, social responsibility, and its positive impact on society and the environment.

Overall, this message emphasizes that business success is highly dependent on the quality of its human resources. With great people, a business is positioned to achieve long-term success. This is why PT. Konsultan Bisnis Hebat places a strong emphasis on human capital development from recruitment and selection, employee development, to managerial skill enhancement.

OUR SERVICE

Recruitment is the process of finding, attracting and selecting suitable candidates to fill just vacancies within an organization. It's a core function of human resource management and aims to bring in talent that fits both the job requirements and the company's culture. Our target is identifying current and future hiring need based on organizational goals.

Objective :

- To attract, identify and hire qualified candidates in a timely and cost effective manner.
- Ensuring alignment with the organization strategic goals and culture.

Benefit :

- Exclusive job opportunities.
- Career guidance and resume support.
- Faster job placement.
- Networking opportunities.
- Insider knowledge.
- Cost saving.

Headhunter is a specialized recruiter who actively seeks out top talents often for senior, executive, or highly specialized roles on behalf of a company. Unlike general recruiters who may wait for applicants, we proactively search for the right individual, even if they are not actively looking for a job. Our target is high-performing individuals in specific industries or roles.

Objective :

- To identify, attract and recommend top-tier talent to key strategic and executive positions.
- Ensuring a precise match with the clients, organizational goals, culture and long-term success.

Benefit :

- Exclusive job opportunities.
- Career guidance and resume support.
- Faster job placement.
- Networking opportunities.
- Insider knowledge.
- Cost saving.

HOW DO WE RECRUIT CANDIDATES?

WITH 5 CRITERIA :

- 1** Needs Analysis : Identify the skills, experience and characteristics required.
- 2** Design Recruitment Process : Ensure the process is transparant, fair and free from bias.
- 3** Develop Recruitment Strategy : Use various sources, such as social media, recruitment platform and profesional networker.
- 4** Evaluated Candidates : Conduct a comprehensive evaluation of candidates and make an assessment.
- 5** Make Sure The Candidates Matches The Clients Request : Ensure the candidates meets the organizations needs and supports its goal.
